

Welcome to the 34th Kaunertaler Opening. By filling out this Testival paper and handing in your current ID/licence/ID-card as a deposit you will receive your Testival Card. At the test stand you hand in your Testival Card and the company will enter the product of your choice in the column and keep your Testival Card. Please have a 2nd card ready for presentation as confirmation of your ID Card.

Upon return of the material you will receive a stamp of the company and get the Testival Card back. When you have finished testing, simply return your Testival Card to the FESTIVAL booth.
